

# A LIGHTHOUSE IN THE FOG?

## Impacts of the New Financial Accountability Regime on Policy Interpretation & Coverage

The government seeks to extend the Banking Executive Accountability Regime (BEAR) to all Australian Prudential Regulation Authority (APRA) regulated entities, and to make the Australian Securities and Investments Commission (ASIC) a joint administrator of the regime as recommended by the Hayne Royal Commission.

What is this Financial Accountability Regime (FAR), to whom will it apply and what will the obligations be? How will it affect financial lines insurance policies and what can insureds and insurers expect moving forward? This prescient panel discussion is a must attend event for insurance lawyers, general counsel in financial entities and their advisors providing insight into policy interpretation issues and the impact of these new legislative changes.
