Points of Interest – The Wonkana and Globe Church Decisions

Members of the insurance industry will be familiar with the decisions of the NSW Court of Appeal in *HDI Global Specialty SE v Wonkana No. 3 Pty Ltd* [2020] NSWCA 296, which considered insurance cover for COVID-19 related business losses, and *Globe Church Incorporated v Allianz Australia Insurance Ltd* [2019] NSWCA 27, which considered the question of when a cause of action accrues against a first party insurer for limitation purposes.

In this seminar, the Honourable Justice Anthony Meagher will discuss some points of particular interest arising out of those decisions, which promises to be highly informative for insurers, brokers, insurance law practitioners and other members of the industry.
