## Making your memory work for you

*How can you avoid the common pitfalls of memory and recall – and make this work for you in the work place and with your clients?*

Ever wanted to be more like Mike Ross? AILA Young Professionals invites you to join Dr. Helen Paterson, Senior Lecturer in Forensic Psychology from the University of Sydney, for an interactive evening which will take you through how memory might affect your client, insured or claimant's behaviour and memory of an event – better arming you in ways to get to the full truth.
