“PLEASE HELP ME, I’M FALLING”

Arthur is playing a gig with his band at a local bar when an over-enthusiastic fan climbs onto some stage equipment and falls after receiving an electric shock. She is injured in the incident and, some years later, consults a lawyer about compensation.

This seminar will outline some basic features of the law as it applies to personal injury litigation, using a case study approach in a relaxed and informal manner. It is designed to provide younger or less experienced members of the Insurance Industry with an introduction to the principles involved in insurance litigation.
