

WORKERS COMPENSATION MASTERCLASS

- Effective return to work programs

The Masterclass provides you with the opportunity to attend alongside others within the industry, who are actively engaged in Workers Compensation claims. This includes brokers who sell the policies, individuals who manage the claims, and those who advise on the strategy and defence of claims.

The Masterclass is an **outstanding opportunity** for you to connect and network with your Tasmanian peers whilst learning about the latest issues affecting Workers Compensation. The event will conclude with drinks and canapés from 5:00pm allowing you to discuss and dissect the day.
